Dear Ms. Loomis:

During the Public Service Commission of South Carolina (Commission) regularly scheduled business meeting on October 27, 2021, the Commission was presented the consideration of an allowable ex parte briefing from the South Carolina Clean Energy Industries Task Force.

Pursuant to Commission Directive Order 2021-725, issued October 27, 2021, the Commission invites the South Carolina Clean Energy Industries Task Force to hold a briefing regarding the merger of E4 Carolinas and South Carolina Clean Energy Business Alliance and to provide an update on your entities' South Carolina energy policy community members. Commission Staff recommends scheduling this briefing on Wednesday, January 12, 2022 at 2:00 p.m. Should another date be more practical for the South Carolina Clean Energy Industries Task Force schedule, please offer your suggestions.

We look forward to hearing from you regarding the scheduling.

With warm regards,
